The motion for a new trial in the case of Sam Abraham, vs. Jim Leng, in which the defendant herein received a verdict in the sum of \$750.00 at the hands of the jury last week, was argued to Judge Chambers and submitted for decision. A stay of execution for forty days was granted the plaintiff.

Senator Borah is even tempered—like a bumble bee.

Light workers can no longer draw heavy pay for it.

PERSONAL PARAGRAPHS

Mr. and Mrs. H. K. Donaldson entertained informally Thursday evening. The honor guests were major and Mrs. Hughes of Fort Sheridan Wyo.

The many friends of Mrs. F. F. White, nee, Nettie Smith, of Wichita Falls, Texas, who has been seriously ill for several weeks after undergoing an operation, are pleased to know that she is convalescing.

County Assessor, R. J. Coleman, is spending this week at Metcalf and Morenci assessing the property at those places.

Hon. R. W. Chambers, Judge of the Superior Court of Graham County, came up from Safford on Thursday of this week to preside over the Superior Court in a case in which Judge Frank B. Laine was disqualified.

Harold, the younger son of Mr. and Mrs. E. R. Shortridge, of Hill's Addition, was taken to the local hospital this morning to have his tonsils removed.

Arthur H. Murphy, Jr. John Harrison and C. F. Oare of Duncan were business visitors at the Court House on Thursday of this week.

C. M. Brooks, deputy sheriff at Duncan, was in Clifton on official business on Thursday of this week.

Margaret, the little three year old granddaughter of Mrs. Ives of Hill's Addition is confined to her bed this week with a severe case of tonsillitis.

A birthday party was given at the home of Mr. and Mrs. Dave W. Ling on Wednesday afternoon of this week in honor of their little daughter, Vivian, who has attained the age of four years. A number of her little playmates enjoyed several hours of fun after which the usual ice cream and goodies were enjoyed by all.

J. M. Lally, of Morenci, visited Clifton several days of this week being interested in a civil case before the Superior Court.

L. P. Smith has tendered his resignation as caretaker of the County Garage to take effect the 1st day of April. The position will probably be filled at the next regular meeting of the Board of Supervisors on April 14th. It is understood that Mr. Smith has accepted a lucrative position in Iowa.

Roy Kelly, automobile salesman at Pima, was a business visitor in Clifton for several days of this week.

Ed. V. Price samples of Spring and Summer Styles now on display. S. H. Wallis.

Come in and see Ed. V. Price samples of spring and summer fabrics. S. H. Wallis.

Z. C. Prina, prominent business man of Safford, is spending several days in Clifton this week.

Mrs. Harold Elliott left Thursday morning for Bisbee.

Mrs. Dr. Hixon and children are spending the week in Metcalf with Mr. and Mrs. Gay.

The O. W. L. Bridge club met Wednesday evening with the Misses Cotey. Several outside guests were entertained.

Mrs. Edna De Bois of Safford is spending several days in Clifton. Mrs. DeBois is the house guest of Rev. and Mrs. Glisson.

This week being Holy Week, services were held every evening at the Episcopal church.

Clarence Wilabe has this week filed an action for a decree of divorce from his wife, Jennie Martin Wilabe on the ground of desertion and abandonment. The couple were married at Douglas, Arizona, on August 17, 1918, and in February 1920 she is alleged to have deserted him.

Chas. W. Heumann, Sr. of Kansas City, Mo., arrived in Clifton on last Saturday evening to visit with his wife and his son Charles W. Heumann, Jr.

Local Happenings

ST. PATRICK PARTY—

Mrs. A. L. Terry entertained Thursday afternoon in honor of Mrs. Dr. Hixson.

White carnations were used for decoration, and the emblems of Ireland were much in evidence, the tally cards for bridge carried out the color scheme of green and white. Refreshments were served after the guests had played two tables of bridge.

Each lady received a St. Patrick Day favor which contained her fortune along with a bright green cap. Tiny green nut baskets decorated with the shamrock and the "shillelagh" gave the tables a festive air, while delicious refreshments were served, consisting of chicken salad, sandwiches, olives, pickles, ice tea, pistachio ice cream and cakes. Mrs. Webster carried away the first prize in a dainty corsage. Mrs. Riley the low score prize, an ornate collar. Mrs. Parrell a corsage for having drawn the American flag as her favor. Mrs. Hixson was presented with a lovely flower corsage as a guest prize.

The guests included, Madam Burth, Clement, Hixson, Laine, Reardon, Elliott, Riley, Lina, Webster, Parrell, Cashion and Miss Irene Parrell.

A "GAY" PICNIC—

About eleven o'clock on Saturday, several ladies who had been bidden to spend the day with Mrs. Gay, left for Metcalf wondering what was in store for them. The weather on a March day is quite often changeable, so the hostess was obliged to change her plans at the last minute. The picnic lunch had to be served inside, nevertheless it tasted just as good.

Each lady was allowed to choose a white or a pink basket which contained a delicious lunch, all the things you like on a picnic. Needless to say all did justice to it.

In the afternoon, cars took the guests to the top of the divide at Graniteville. The guests from Clifton included: Mesdames Burth, Terry, Clement, Crawford and Reardon.

CATTLEMEN HOLD MEETING—

A meeting of Greenlee County Cattlemen was held at Clifton on Wednesday of this week for the purpose of devising ways and means to tide them over the present stringent and unfavorable market condition, and as a result of which it has been decided that W. J. Riley, Cashier of the First National Bank be sent east to confer with capitalists and arrange a sale for all surplus cattle in the district. The local cattlemen are at present hard pressed and it is hoped that Mr. Riley will be successful in his quest. The following cattlemen attended the meeting: George Webster, T. P. Wilson, J. H. T. Cosper, J. S. Thompson, Pete Trainor, Ed Elmer, T. S. Stockton, George Montgomery, T. H. Fulk, Fred J. Fritz, R. R. Miller, Fred Johnson, T. B. McCulloch, A. H. Slaughter, Reese Webster, Claude Nichols, Frank Davis, Fred Stacey, H. K. Gatlin, Howard Pilleman, Richard Stephens, and K. M. Schade.

CLUB MEETING—

At the Art and Music section of the Woman's club last Friday Mrs. Harlow Bruehaker, the incoming president of the club was elected as the delegate to attend the State Federation of Women's clubs which is to be held at Miami, April 5th to 9th. We are in hopes that she will return with many new ideas, and lots of enthusiasm for our next years work.

NEW VICE PRESIDENT FOR FIRST NATIONAL

Announcement is made this week by the First National Bank, of this city, of a change in the personnel of the officials of that institution, whereby Mr. J. W. Hopson, of Foreman, Arkansas, will become the second largest stockholder in the First National and has been elected a Vice President by the directors.

Mr. Hopson was here last week looking over the situation from a banking standpoint and was favorably impressed with Clifton and surrounding country. After considering other bank investments called to his attention by the Federal bank examiner for this district, Mr. Hopson finally decided to locate in Greenlee county, and while admitting that local business conditions are dull at the present, he is confident that Clifton will soon come again into its usual prosperity and even more. Mr. Hopson returned the latter part of this week and is now at his desk in the First National.

In addition to being the largest stockholder and a director in the bank at Foreman, Arkansas, Mr. Hopson for the past two years has been Vice President and director of the Deming, N. M. National Bank for the past two years.

W. J. Riley, cashier of the First National for the past ten years, has also been elected to vice president, resigning his position as Cashier which in the future will be filled by Mr. W. E. Munroe. Mr. J. B. Brown, assistant cashier, has resigned his position, disposing of his holdings of stock to Mr. Hopson, and it is his intention to leave Clifton for other parts within a few weeks. In the future the active management of the First National will be in the hands of Mr. Hopson and Mr. Riley.

The First National is the oldest financial institution in the county having been established by the late Geo. Hormyer and others in the early days of the camp. Mr. Sam Abraham, the largest stockholder, will remain as the President of the institution.

PHELPS-DODGE WILL CEASE OPERATIONS AT MORENCI

Official announcement was made the latter part of this week by Capt. J. P. Hodgson, general manager of the Phelps Dodge Corporation (Morenci Branch), that effective April 10, the work being carried on by his company in Morenci would be stopped indefinitely.

The decision at Morenci will be carried out to the same extent as ordered at Tyrone, N. M. and Globe, affecting the Burro Mountain and the Old Dominion Copper Co. branches, heretofore under operation by Phelps Dodge at these places.

At Morenci there will be almost a complete cessation of activities, including machine shops, power house, supply department, hospital, and hotel. It is understood that the electric light plant will be continued and whether or not the Phelps-Dodge store will remain open is still undecided.

The decision effecting a complete shut down at Tyrone, Morenci and Globe of Phelps Dodge properties has been compelled by the continued unsettled conditions in the copper market, and marks a further effort on the part of the big producers to reduce the supply of the brown metal to somewhere near the demand.

It is believed the policy of further curtailment of expenses and production has been brought about by the continued disturbed condition in European countries which at this time hold out no assurance of an early bettering of conditions affecting the copper industry.

Fortunately, the decision of Phelps Dodge Corporation, as to the Morenci branch, will not throw a large number of men out of employment, for the reason that for the period of the last two years the smelter and concentrator have been idle and the work carried on has consisted of development work, which we understand has been very gratifying to the management, but it is a matter of regret that many old and capable employees will under the new order be dispensed with and the splendid organization temporarily disrupted.

ANNUAL CONVENTION OF ENGINEERS

The annual Convention of the American Association of Engineers, Southwestern District has been called for Phoenix, April 15th and 16th and it is expected that a large number of delegates from the various chapters of the A. A. E. in Arizona, New Mexico and West Texas will be present. The organization has about 1500 members in the Southwest, this branch being one of the most active in the National Organization which has almost 30,000 members.

There will be many things of importance to engineers discussed and acted upon at the annual convention as well as the election of officers for the ensuing year. The present officers of the Association are G. M. Butler, Dean, College of Mines and Forestry, President, W. E. Robertson, El Paso Bridge and Iron Company, Texas Vice President, Charles E. Wallis, Arizona Mining Journal, Arizona Vice President, F. P. Barnes, formerly Dean College of Mechanics, State College, New Mexico, New Mexico Vice President, A. J. Roffely, Globe, and G. R. Farnett, Arizona Directors, R. W. Goddard, State College, N. M. and L. A. Long, Albuquerque, N. M., New Mexico Directors, E. P. Rankin, El Paso, and C. E. Banglebaugh, El Paso, Texas Directors.

Chapters of the organization are now located at Tucson, Phoenix, Bisbee, Globe, Miami, Prescott, Jerome and Clifton, Arizona, El Paso and Amarillo, Texas and Albuquerque, Las Cruces, State College, Roswell and Silver City, New Mexico. There are many other Clubs in other cities having smaller groups. The University of Arizona has received the silver cup for having the largest percentage in student organizations, 100%.

One of the principal things to be discussed is the recently enacted law for the licensing of engineers, the passage of which was fostered by the organization. Delegates are expected to be in attendance from all of the above clubs and the Phoenix chapter will be the hosts on the occasion.

STATE CORPORATIONS MAY FACE RECALL UNDER NEW MEASURE

Phoenix, March 23.—Having failed to put the corporation commission out of business through legislation, enemies of the commission in Yavapai county are said to have started a recall movement against Chairman D. F. Johnson and A. A. Betts, the two hold-over members.

This movement has its origin in the same persons who attempted to secure the passage of a law abolishing the commission and is the outgrowth of a controversy in Yavapai county concerning the use of the Prescott-Jerome highway by rival stage lines.

The bill to abolish the commission died in the senate on this last night of the session, without ever getting as far as the house. Several senators are said to have been pledged to vote for the measure but were relieved of that embarrassment by Senator Stoddard, who, when the bill was reached on the calendar, moved for a five-minute recess. The motion carried and consideration of the measure automatically went over to the following day, under the rules of the senate. There being no "following day" the measure was lost.

ODD FELLOWS CONVENTION HERE—
Local Odd Fellows are already making preparations for the entertainment of the annual convention of the Grand Lodge in Clifton commencing Monday, April 18th and continuing for three days. The session of the grand lodge was brought to Clifton this year through the efforts of James Kilsby, George Reitzer and other delegates who attended the convention at Tucson last year. The program for the session will be printed in succeeding issues of the Era.

BRIEF DECISIONS

President Harding also plays cow pasture pool frequently. He also maintains that he is not drunk, usually is not sober. In moving mountains, use force, as well as faith.

Brass frequently glitters more than gold does.

3 MORE BANKS IN STATE SHUT DOWN BUSINESS

Phoenix, March 23.—Three Arizona banks today voluntarily closed their doors and a fourth began demanding sixty days' notice of intention to withdraw savings deposits except in emergency cases.

The three banks which suspended today were the Citizens State Bank of Phoenix, the Central Bank of Wickenburg, and the Exchange Bank of Peoria, Arizona.

Each of these institutions was capitalized at \$25,000. The method of closing followed by each of these banks was very similar to that used by the Central Bank of Phoenix when it suspended business Monday morning. Before the time to open this morning, each of the three placed a notice on the front door stating that the bank had virtually suspended and that its affairs were in the hands of Charles W. Fairfield, state auditor and superintendent of banks.

Both Mr. Fairfield and bank officials refused to make statements this morning, saying that nothing would be known regarding the condition of the banks until the state auditors had completed their work.

The Commercial National bank of Phoenix today began requiring notice from depositors sixty days before savings accounts are withdrawn.

It is also announced that certificates of time deposits would be paid only when due. Officials of the bank declared the institution was able to meet all demands against it, but believed it was wise to require the notice as a precautionary measure. They said that exceptions would be made in favor of depositors who showed they really needed their money immediately.

It's a free country, married men to the contrary, notwithstanding.
